While sanctioning T S grants to certain villages in the Trichinopoly Dist, it was considered desirable to sanction grants to the following three villages after obtaining further information on the points referred to in each case:—

1) Chokkanathapuram village. Information was called for as to whether the estimate for the drainage scheme has been prepared. The reply of the D C shows that this is under correspondence. Definite proposals may be awaited called for in this behalf

2) Puliyur TL village charges:

It was enquired whether the first stage has been completed in order to sanction grants for the second stage. Though the 1st stage is nearing completion, as the DC's report, the local bd cl. have no money to finance them sharing the costs of the II stage. Hence, govt grants may be given towards this work when they take up the work on hand and provide the bd share of the cost

Replies received

3) As regards Kortagere drainage scheme the D C says that financial position of the bd is very unsatisfactory and that the entire outlay the scheme amounting to Rs 10,0757- may be given as an outright grant. The D C may kindly be asked requested to obtain and submit proposals in this behalf reluctantly for the consideration of the govt

Sir,

Re Distribution of grants to certain Municipalities of this District

With reference to your letter No L 7408/M1 69-43-25 dated 20th January 1944 on the above subject, I have the honor to state as follows.--

As regards the comprehensive drainage scheme of Chikmalkanahalli Town Municipality, the Sanitary Engineer, who was requested to prepare and furnish an estimate in this behalf has stated that a scheme has been prepared and is under scrutiny

On enquiry as to whether the first stage of the drainage work in Gubbi Town Municipality has been completed and whether the second stage would be taken up this year, the Sanitary Engineer who was consulted in the matter, states, that the first stage of work has nearly been completed, the outlay incurred so far being Rs 7839/- excluding the final bill under preparation As provision has not been made by the Gubbi Town Municipality in the Budget Estimates for taking up the second stage of work during the current year, the President will be requested to make necessary provision in this behalf in the Budget Estimates during the next year

As for a note on the financial position of Koratagere Minor Municipality etc , I am herewith sending an abstract of estimates of Revenue and expenditure for the year 1943-44 as desired and to state that the finances of this Minor Municipality are too slender and capable of slight increase only in respect of mohatarfa taxes if revision of assessment is undertaken The main items of revenue are, octroi, mohatarfa taxes and shandy fees As this town is midway between Tumkur and Madhugiri, octroi-revenue cannot be improved

In the circumstances the request of the Municipal Council for an out-right grant of the entire cost of the drainage scheme deserves

17

deserves sympathetic consideration as already recommended.

I have the honor to be,
sir,
Your most obedient servant,

For Deputy Commissioner,
